**ARTICLE #2 - BEANO**

Yes - 793 No - 252

**ARTICLE #3 -** Amendments to Zoning Ordinance

This article was printed on a separate ballot. Results of the vote appear after Article #6.

**ARTICLE #4** - TOWN MANAGER PLAN

Yes - 457 No - 610

**ARTICLE #5** - APPOINTING CHIEF OF POLICE AND FULL-TIME OFFICERS

Yes - 462 No - 645

**ARTICLE #6** - MUNICIPAL BUDGET LAW

Yes - 507 No - 400

**ARTICLE #3**

Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the town zoning ordinance as follows:

AMENDMENT NO. 1 - To add to Article V Mobile Homes, House Trailers "and Campers"

3a. Campers may be stored, unoccupied, at the owners permanent domicile in any zone in the Town of Raymond for any period of time.

3b. Campers, or tents, may be occupied for camping in all zones of the Town of Raymond for up to ninety (90) days of the year.

3c. Campers, or tents, may be occupied for camping in any camping area, in the Town of Raymond for up to nine (9) months of the year.

3d. Other than the above, camping is not allowed in any zone in the Town of Raymond.

3e. Campers shall not be occupied as a permanent dwelling at any time, in any zone, in the Town of Raymond.

And also to add to Article 1-A Definitions:

"Camper - Any type of readily transportable shelter which was designed, and/or is commonly used, for camping. Examples:

a. Motor Homes, b. Pickup truck mounted shelters, c. Towed trailer-type shelters such as collapsable tents or similar collapsable shelters, and d. Small (under twenty-eight (28)foot) mobile home type shelters."

"Camping - The act of spending time occupying a temporary shelter, other than, or while away from, a permanent dwelling."

"Mobile Home - Any prefabricated dwelling unit which,

1. Has been constructed upon chasses, with wheels and a tow bar so that it is transportable as a unit, or as sections of a unit and which:

2. Was designed, and/or is commonly used for year-round occupancy. And which:

3. May be prepared for occupancy without the necessity of a continuous masonry foundation, and which:

4. As such, qualifies for assessment and taxation as a Mobile Home under NHRSA."

"Camping Area - Any parcel of land, which:

1. Contains three (3) or more separate lots or sites and/or contains permanent buildings, or other structures commonly used for camping, including accessory buildings and if necessary, privately owned and maintained roads to provide frontage for and/or access thereto, which:

2. Lots or sites are rented, leased, or otherwise let for the placement of tents, campers, or other normally accepted camping shelters thereon for the purpose of camping, for:

3. Occupancy thereof of not more than nine (9) months of the year, and which:

4. Meet or exceed all the then current requirements of the State of New Hampshire for that type of camping area, and which:

5. Is operated for a profit."

"Mobile Home Park - Any parcel of land, which:

1. Contains three (3) or more separate lots or plots, and if necessary, privately owned and maintained roads to provide frontage for, and/or access thereto, which:

2. Lots or plots are rented, leased, or otherwise let for the placement of mobile homes thereon for:

3. Occupancy thereof during any and/or all times of the year, and which:

4. Meet or exceed all the then current requirements of the State of New Hampshire for Mobile Home Parks and which:

5. Is operated for a profit."

(This proposal is intended to clarify allowed uses for campers or tents and to define campers, mobile homes, camping areas, and mobile home parks.)

Yes - 602 No - 394

Are you in favor of the adoption of Amendment No. 2 as proposed by the planning board for the town ordinance as follows:

AMENDMENT NO. 2 - Add to Article II, Zones, Allowed Uses a new SECTION F

"F. Special Exceptions

Upon application made to the Board, the Board of Adjustment may, subject to appropriate conditions and safeguards, grant a permit for land use contrary to the above by the granting of a Special Exception.

Before reaching a decision, at least three (3) members of the Board shall have viewed the subject area, said viewing shall be noted in their records.

Conditions governing the granting of Special Exceptions

In acting upon an application for a special exception, the Board of Adjustment shall determine that:

A. The specific site is an appropriate location for the use or structure.

B. No factual evidence is found that the proposed use will be detrimental, injurious, noxious, or offensive to, or reduce property values in the neighborhood.

C. There will not be undue nuisance, or serious hazard to vehicular or pedestrian traffic, and roads providing access to the site shall be adequate.

D. Adequate and appropriate facilities will be provided to insure the proper operation of the proposed use of structure.

E. The proposed use or structure is consistent with the spirit of the ordinance.

Additional Safeguards

In approving any special exceptions, the Board of Adjustment may impose such additional safeguards as it deems reasonable appropriate to protect the neighborhood or to otherwise serve the purpose of this ordinance, including but not limited to the following:

A. Lot area

B. Front, side, or rear yards

C. Height limitations

D. Modification of the exterior appearance of the structure.

E. Limitation upon the size, number of occupants, method and time of operation, an extent of the facilities.

F. Regulation of the number and location of drives, accessways, or other traffic features.

G. Screening and/or buffer zones."

(This proposal gives the Board of Adjustment the authority to allow a non-conforming use to locate in any zone in the Town of Raymond provided certain specific conditions are met.)

Yes - 470 No - 482

Are you in favor of the adoption of Amendment No. 3 as proposed by the planning board for the town zoning ordinance as follows?

The planning board recommends against the adoption of this proposal.

(This amendment is requested by the owner of the lot in question.)

AMENDMENT NO. 3 - Amend Article III - Zones, by adding to the description of Zone D,

Industrial, the following area:

"That parcel of land shown on Tax Map 3 as Lot 42, Town of Raymond, located on the west side of Route 102 toward the Chester Town line, containing approximately seventy-four (74) acres."

(This proposal would change the zoning of the lot in question from Residential-Agricultural to Industrial.)

Yes - 359 No - 618

Are you in favor of the adoption of Amendment No. 4 as proposed by the planning board for the town zoning ordinance as follows?

AMENDMENT NO. 4 - To add the following new article to the Raymond Zoning Ordinance as Article IV-A.

**"Article IV-A - Signs**

Definition of a Sign: A structure, device or inscription that is arranged, intended, designed or used as an advertisement, announcement, or to provide direction.

1. The only signs to be permitted in the Town of Raymond are:

a. Those on-premise signs upon a lot which advertise or otherwise describe the business or activities upon that lot. Only one sign not attached to a building, plus necessary directional signs, will be permitted on any lot.

b. Two additional signs of not more than four (4) square feet per side, not to be located on the same lot, may be allowed for a business or activity within the town.

2. No sign shall exceed sixty-four (64) square feet per side in surface area.

3. Signs must be durable constructed, solidly erected, and maintained in a manner so as to be attractive at all times.

4. No flashing, distracting, or animated signs will be permitted.

5. No sign shall be placed or constructed within ten (10) feet of a property line or in such a manner as to create a hazard.

6. Any signs which are erected and maintained by any public agency in exercising its duties are exempted from this section."

(This proposal is an attempt to control the signs which would be allowed to be located in the Town of Raymond.)

Yes - 575 No - 404

Are you in favor of the adoption of Amendment No. 5 as proposed by the planning board for the town zoning ordinance as follows?

AMENDMENT NO. 5 - To add to Article I, General Provisions, the following:

"Paragraph G

In order to control the recent rapid growth of additional dwellings within the Town of Raymond, and the related impact upon town facilities and services, we adopt this control for the issuance of permits for the placement of any additional dwellings within the Town of Raymond, subject to the following:

**Residential Construction**

1. The number of residential building permits which may be issued other than for elderly housing to any record holder in any building year shall be limited to the following:

a. A record holder of ten (10) or less acres in the Town of Raymond may obtain one building permit per building year.

b. A record holder of more than ten (10) but less than twenty-five (25) acres in the Town of Raymond may obtain two (2) building permits per building year.

c. A record holder of a total of twenty-five (25) acres or more but less than fifty (50) acres in the Town of Raymond may obtain three (3) building permits per building year.

d. A record holder of a total of fifty (50) acres or more in the Town of Raymond may obtain four (4) building permits per building year.

Only Undeveloped Land shall be considered in determining the acreage for the purposes of subparagraphs a, b, c, and d above.

2. The first building year shall be from April 1, 1976, to March 31, 1977 and shall be identified as the 1976 Building Year.

3. A record holder may transfer to a grantee the rights to a residential building permit as presented in paragraph 1 by notifying the Planning Board in writing within sixty (60) days of the conveyance of the land for which a building permit is sought. Said transfer shall constitute a release by a record holder to a grantee of the record holder's right to apply for a residential building permit so transferred and shall convey to the grantee the same rights to apply for a residential building permit or permits as the record holder possessed under this section. Such transferred rights shalll terminate if not exercised within two (2) years from the date of transfer. Otherwise residential building permit rights will accrue to a grantee in accordance with paragraph 1.

4. For the purpose of this section the follow-

ing definitions shall apply:

a. Record holder shall mean the owner of land for which a residential building permit is sought, who has owned said land continuously since April 1st in the year prior to the building year in which the application for a building permit or transfer of rights to a building permit is made; said ownership shall be established by a deed recorded at the Rockingham County Registry of Deeds on or before said April 1st in the year prior to said Building Year.

b. The Building Year shall run from April 1st through March 31, and shall be identified by the year in which April 1st falls.

c. A grantee shall mean a successor in title to the lands or a portion of the lands of a record holder.

5. This section does not apply to existing dwellings damaged or destroyed.

Yes - 503 No - 367

A petition was presented to the Selectmen requiring a 2/3 vote to approve Amendment No. 5. Moderator Frank Case ruled as follows:

| | |
|---|---|
| Protest Petition represented | 3551 acres |
| 20% of town area | 3580 acres |

Using 3 different figures for total town area:

| | |
|---|---|
| 16,317 | "History of Raymond" |
| 17,920 | Raymond Planning Board |
| 18,752 | Southern N.H. Planning Commission |

Taking the middle figure 20% would equal 3580 acres thus the petition failed to represent 20% of landowners as prescribed in RSA 31:64.

Amendment No. 5 approved by majority vote.

Meeting was adjourned by Moderator Frank Case at 10:45 p.m.

A true record - Attest:
Robert H. Clement
Town Clerk

## ACTION OF TOWN MEETING
**Saturday, March 12, 1977**

The Annual Town Meeting was called to order at 10:00 A.M. by Moderator Frank G. Case. All Selectmen were present. The prayer was offered by Rev. Chandler Newton, and the Flag of the United States of America was saluted.

### Article 1 - Town Charges

A motion was made by Ivan C. Reed and duly seconded by James Turner that Article #33 be accepted as printed in the Warrant.

VOTE IN AFFIRMATIVE

An amendment to this motion was made by Joseph Smiga and duly seconded by Chandler Newton that the Town purchase 400 chairs not to exceed $3,000.00.

VOTE IN AFFIRMATIVE

A resolution was presented by Chandler Newton as follows:

"Whereas, Burgess Chase has served the Town of Raymond loyally and with great dedication as a fireman for 35 years, and as Fire Chief for 8 years, Therefore be it resolved that the Town of Raymond express its deep and sincere appreciation for his great service."

A standing ovation was given to Fire Chief Burgess A. Chase, who responded with thanks.

There being no further business the meeting adjourned at 5:50 p.m.

A true record — Attest:

Robert H. Clement
Town Clerk

**Totals**

| | |
|---|---|
| Permits issued | 293 |
| Fees Collected | $ 2,965.00 |
| Construction Costs | 2,745,903.00 |
| Dept. Expenses | 1,265.35 |
| Balance | 1,699.65 |

**DEPT. STANDING**
**1973 through 1977**

| PERMITS ISSUED | FEES COLLECTED | STATED CONST. COST |
|---|---|---|
| 1236 | $13,919.00 | $10,769,280.00 |

Expenses $6,834.12 Balance $7,084.88 to General Funds

**PERMITS REFERRED TO BOARD OF ADJUSTMENT:**

| | |
|---|---|
| Variance Granted: | 4 |
| Variance Denied: | 3 |
| Appeal | 1 |
| Total | 7 |

Two penalties: 1 for $40.00 and 1 for $15.00 for starting construction or moving mobile on location before permit was issued.
Two violations referred to counselor for court action.

A big "Thank You" to the Town's people for their cooperation and understanding, the officers and personnel of the town for their friendliness and moral uplifting. The Office girls and secretary for their patience, and the Selectmen for their direction and advice, and lastly, the Town Counselor.

Sincerely,
V. Raoul Rioux
Building Inspector

| 1977 Filing Fees | 11.00 |
| | $90,917.50 |

I have remitted to the Town Treasurer from January 1, 1977 to December 31, 1977, and hold receipts for same:

$90,917.50

Respectfully submitted,

Robert H. Clement
Town Clerk

## RAYMOND POLICE DEPARTMENT

This is my first report to the voters of Raymond. My first year has been a challenge and very rewarding. It was also much more demanding and difficult than I had anticipated. The transition from J. Henry Greenwood to myself went very smoothly since the department was in good working order and morale was very high. There is now, as there has been in the past, a close and harmonious working relationship between the Raymond Police Department, Fire Department, Ambulance Association, Town Highway Department and Civil Defense.

During the past year I have tried to be very conscious of the office to which I have been elected. I am pleased to report that the Police Department stayed within its budget for the first time since 1971. It will always be my intention and that of the department to live within our budget. This year the Police Department will have a surplus balance which is the result of income returned to the department and careful spending. The proposed Police Department budget for 1978 shows an increase of $3600.00 or approximately 5 percent. This modest increase covers a 6 percent salary raise for regular officers, a 50 cent per hour raise for special officers, four weeks of schooling for regular officers and increased cruiser operation costs. The schooling is essential to keeping the full-time officers up-to-date and they in turn, can update the training of the special officers.

This year the department added a new man, Officer Robert Allfrey. Bob came to us with much experience in police work and has fit into the department and the town very well. Another current addition is the renovation of the dispatch center. The town paid for the materials used and the Police Department provided the free labor.

The specials of the Raymond Police Department have become more active this past year. They have gained experience, completed a special officers' training school and have been a tremendous asset to the department and the town. Responding to emergency situations, both regular and part-time members of this department contributed many hours of their time, without cost to the town.

Recalling events of the past year brings to mind the "spring flood", the armed robbery at Prescott Farms and an aggravated assault with a knife which occurred on Route 102. During these crisis periods, this department received great support from the State Police, Sheriff's Department, surrounding local departments, plus volunteers from our own Fire Department, Ambulance Association and Civil Defense.

I strongly feel that the department has done a good job by responding well to the public's needs and by acting in a professional manner. The specific problem concerning the town common has been alleviated this year and our department will continue to strive for a better understanding with Raymond's youth.

As can be seen from our department figures, Raymond's juvenile problems are increasing. As the town continues to grow and more children attend Raymond schools, these juvenile problems can only multiply. Therefore I believe there is a vital need to add a fifth officer to our force - one who is fully certified as a police officer plus additional certification in the juvenile field. For example, if a juvenile officer started working with our current eighth and ninth graders, we could hope for a drop in vandalism, truancy and juvenile petitions by the time they became seniors. Admittedly, an additional officer with double certification would cost a good deal of money but the forseeable results make the expenditure worthwhile. In addition, part of the cost might be absorbed through state or federal funds.

In closing, I would like to thank the Raymond Selectmen. With the exception of one difference of opinion over the scheduling of hours, we have worked well together. However, if an article is proposed mandating the selectmen's control of Police Department rules, regulations and policy, I strongly urge that such an article be turned down by the voters. It is my belief that the Police Department should be independent of political control and influence. As a professional in his field, the Chief of Police should be the head of his department and have exclusive control over it.

Finally, I would like to express my appreciation to the regular officers, special officers and the dispatchers. Without their support, the past year's accomplishments would have been impossible.

Respectfully submitted,
Mark S. Long, Chief
Raymond Police Department

## RAYMOND POLICE DEPARTMENT
## PROPOSED BUDGET
## FOR YEAR 1978

| | |
|---|---|
| *Payroll - Regular (6 percent inc.) | $53,308.00 |
| Payroll - Special (.50 hr. inc.) | 6,500.00 |
| Telephone | 1,500.00 |
| Gas | 6,700.00 |
| Oil | 100.00 |
| Office Supplies | 500.00 |
| Parts, Repairs | 2,500.00 |
| Equipment | 1,000.00 |
| Radio | 500.00 |
| Tires | 800.00 |
| Alarms | 375.00 |
| Miscellaneous | 500.00 |
| TOTAL | $74,283.00 |

| | |
|---|---|
| *Salaries (Adj'd 10 wks old rate 16 wks new rate | $48,340.00 |
| Vacations (Total of 9 weeks) | 1,944.00 |
| School (Coverage for 4 weeks) | 864.00 |
| Holidays (10 per full time officer) | 2,160.00 |
| TOTAL | $53,308.00 |

# RAYMOND FIRE DEPARTMENT

The following is a report of the activities of the Raymond Fire Department for 1977. We responded to a total of 219 calls, as follows:

| | |
|---|---|
| Dumpster | 1 |
| Building | 10 |
| Trailer | 8 |
| Brush & Grass | 25 |
| Car Fires | 20 |
| Chimney Fires | 13 |
| No School | 6 |
| Mutual Aid | 10 |
| False Alarms | 15 |
| Miscellaneous | 72 |
| Lost Persons | 3 |
| Oil Burner | 6 |
| Rescue Calls | 1 |
| Relay Calls | 2 |
| Dump Fires | 3 |
| Burning (Benneville) | 1 |
| Flush Hydrants | 2 |
| Boat Fires | 1 |
| Inspections | 20 |

The estimated value of buildings involved in Fire was $771,350.00. Estimated loss was $43,-405.00. This is a reduction of about $5,000.00 over last year.

This year, we built an addition to the Fire Station to house a 15 kilowatt generator to provide power to the fire station. The old generator was adequate only to provide power for one or two lights and the two-way radio. The new generator, obtained through the Excess Federal Property program, will provide enough power to run the whole building. The addition was built with volunteer labor from the fire department, rendering about 200 man hours in building - at quite a savings for the town.

We have also obtained through very generous donations from everyone and the Highway Safety Agency, the "Jaws of Life" rescue tool. Total cost is $6,000.00, so again there was a large savings to the people.

On November 4, 1977, a letter was sent to the School Board quoting price on a revision of the Fire Alarm system at the high school. This would zone the building so that in the event of an alarm, we would know which direction to go. The present system gives no idea of where the problem is so we have to search the entire building; a fire could get a start on us. Hopefully, the new system will be installed as soon as the school budget is passed.

During the Flood, there were several calls for pumping of cellars and other water problems. There was a crew in the fire station and also a crew and two trucks at Welch's across the bridge, for about 36 hours.

I would like to personnally thank Burgess Chase for the help in the change-over period. Without his help, my job would have been much more difficult.

I would also like to thank the other town departments for their assistance during the past year.

Finally, I would like to thank all of the firemen for their cooperation and assistance during the year. And a special thanks to the wives of those men, who have had their meals interrupted so many times because of fires.

Leslie Gatcomb
Fire Chief

## REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Forest fire control in New Hampshire is a joint state and town or city responsibility (RSA 224).

The Director, Division of Forests and Lands (State Forester) appoints a forest fire warden and several deputy forest fire wardens in each town/city upon the recommendation of local authorities.

The local forest fire warden is responsible for forest fire prevention and suppression activities in his town. He regulates the kindling of outside fires when the ground is not covered with snow by the issuance of written permits only when conditions are safe. He is responsible for suppression with the town/city and state sharing the cost. Suppression costs in excess of ¼ of 1 percent of the assessed valuation of the town are assumed by the state.

The state provides training for the local fire organization and helps coordinate activities between towns/cities. The state also supports local forces with backup personnel, equipment, and supplies for suppression and prevention.

This combination of state and local cooperation, started in 1893, works well, for New Hampshire has enjoyed one of the smallest acreage losses due to forest fires in the United States for the past 25 years.

### 1977 Forest Fire Statistics

| | No. of Fires | No. of Acres Burned |
|---|---|---|
| State | 1,091 | 2,386 |
| District | 217 | 94 |
| Town | 25 | |

District Fire Chief

Leslie Gatcomb
Forest Fire Warden

## RAYMOND PLANNING BOARD REPORT FOR 1977

During the 1977 year the Raymond Planning Board received 14 applications for subdivision of land. Nine of the 14 subdivisions were acted upon and a total of 17 new building lots were created. The remaining 4 subdivision applications are awaiting completion of subdivision procedures. Ten plans for recording purposes only were also approved. These plans are signed by the Planning Board and are submitted to the Registry of Deeds. They do not create any new building lots, but rather described that which is existing.

Seven Proposed Changes to the Zoning Ordinances were presented. These changes were prepared after we received recommendations from the Growth Committee, the Selectmen and the voters of the town. Public hearings were held on December 5, 1977 and January 10, 1978. Although these hearings were very poorly attended by the public, the input we received radically changed some of the proposals.

The building moritorium which was enacted during 1976 has required much of the board's time and attention. We have been involved with the selectmen and town counsel in the town's defense when the moritorium was tested in court by an area developer. The court found in the town's favor and the moritorium is still in effect.

The Planning Board wishes to thank the selectmen and the residents of Raymond for their support in 1977. We have received criticism from some individuals, but in most cases these individuals do not feel that they must abide by the ordinances which the residents have approved.

The regular meeting of the planning board is held on the first Thursday of the month at 7:30 p.m. at the Town Office Building. All meetings are public and all residents are welcome to attend.

Respectfully submitted,
W. James Morrissey, Chairman
Raymond Planning Board

| Total funds returned to town, unexpended | $255.92 |

Plus $120.00 fees taken in by the Board and turned in to the Town treasurer.

The Board requests that the sum of $600.00 be re-appropriated for the year 1978.

Thank you,
Anthony J. Carlucci
Board Chairman

## RAYMOND HEALTH DEPARTMENT — 1978 REPORT

In April of 1977, Health Officer Harry F. McRae resigned his post and was replaced by Richard F. Girard. Action of the Health Officers and expenditures are as follows:

| | | | | |
|---|---|---|---|---|
| January | 25 miles | 3 hours | 3 calls | $14.00 |
| February | 36 miles | 3 hours | 4 calls | $16.20 |
| March | 105 miles | 11 hours | 11 calls | $54.00 |
| April | 18 miles | 3 hours | 3 calls | $12.60 |
| May | 7 miles | 2 hours | 2 calls | $ 7.40 |
| June | 10 miles | 2½ hours | 3 calls | $ 9.50 |
| July | 15 miles | 4½ hours | 4 calls | $16.50 |
| August | 20 miles | 3 hours | 3 calls | $13.00 |
| September | 46 miles | 7 hours | 9 calls | $34.32 |
| October | 5 miles | 6 hours | 5 calls | $19.00 |
| November | 35 miles | 8 hours | 6 calls | $32.03 |

| | |
|---|---|
| Total Mileage | 322 |
| Total Hours | 53 |
| Total Calls | 53 |
| Total Expenditures | $228.55 |

The Selectmen, as the Board of Health, extend their thanks to Mr. McRae and to Mr. Girard for their service during the past year.

## REPORT OF THE HIGHWAY SAFETY COMMITTEE

Mark S. Long, Chief

January 3, 1978

State of New Hampshire
Office of the Governor
Highway Safety Agency
Stickney Ave.
Concord, N.H. 03301

Gentlemen:

The following is an updated listing of the members of our local Highway Safety Committee and their respective designations:

| | |
|---|---|
| MARK S. LONG | CHIEF OF POLICE , CHAIRMAN |
| LESLIE GATCOMB | CHIEF OF FIRE DEPT., VICE-CHAIRMAN |
| IVAN C. REED | CHAIRMAN, BOARD OF SELECTMEN |
| DAVID GORDON | VICE-PRES., AMB. ASSOC. - ASS'T. DIR. C.D. |
| CHARLES PERKINS | DEP. CH., FIRE DEPT. - MAINT. SUP. TURNPIKES |
| FREDERICK WELCH | DEP. CH., FIRE DEPT. - LOCAL BUSINESS OWNER |
| GENE SORDILLO | CIVIL DEFENSE DIRECTOR, TOWN OF RAYMOND |
| DANIEL COOLEY | LOCAL BUSINESS OWNER |
| LYMAN HAMMOND | ROAD AGENT, TOWN OF RAYMOND |
| ROBERT ELLIOTT, SR. | DEP. CH. POLICE DEPT. |

Respectfully submitted,

Mark S. Long, Chairman
Highway Safety Committee

## TOWN OF RAYMOND CIVIL DEFENSE REPORT 1977

There were two Civil Defense alerts in 1977, both occurring during the month of March. On March 14th rising waters in the Lamprey River threatened much of the town. Several roads were cut off by the water and many volunteers spent the night filling sandbags and placing them around the town pumphouse. Thanks to their assistance and an emergency resupply of sandbags from the Pease AFB Disaster Preparedness Team, the pumps were kept from damage.

On March 23rd a widespread power outage left many townspeople without heat or light in their homes. The Ray-Fre Senior Citizens' Center opened its doors to anyone needing shelter.

During these two incidents, and many other times throughout the year, the Fire and Police Departments, Ambulance Service and the Dispatchers provided excellent support to the Civil Defense effort. Their assistance is greatly appreciated.

The Department anticipates the receipt of one additional 6 x 6 truck early in 1978. This unit, when received, will be assigned to the Fire Department to fill a need for a general duty vehicle.

G.T. Sordillo
Director

## REPORT OF THE ETHICS COMMITTEE TO THE TOWN OF RAYMOND AND THE SCHOOL DISTRICT

The Ethics Committee met and organized on July 30, 1977, as follows:

Calvin Warburton, chairperson
Esteri J. Harpham, secretary
Lynn Fahy, member
Florence McRae, member
Florian Zelinski, member.

The committee decided that complaints should be submitted in writing, and that meetings other than those required by the town would be on a necessary basis.

Respectfully submitted,

Calvin Warburton, chairperson

## REPORT OF THE NEWMARKET HEALTH CENTER, INC.

Community Health Workers help in bringing together medical, psychological and social needs of people, advocating concern for the whole person for more comprehensive, quality health care. They make visits to people's homes, hospitals, nursing homes, develop special workshops and programs, and offer their skills where and whenever required.

Community transportation services are offered to the senior citizens for greater mobility and easier access to medical facilities, social services, and other basic needs of otherwise isolated seniors. This service is offered by way of two 16-passenger Busettes. The Van Drivers are not only trained in basic first aid but they meet weekly with our social service staff and are sensitive to the special needs of the riders, making referrals to deal with personal problems which may arise. (Call 659-2424).

In 1977 there were 35 visits to the Medical Clinic by your town's residents; the Center answered 62 queries from your town with information and referrals on Infor-Center's 1-800-852-7214 toll-free line which services all of Rockingham County. The Senior Citizen transportation service provided 516 rides to the elderly of your town. Through special screening clinics and workshops, an additional 53 residents were seen. All together, about 666 residents of your town were served by the Health Center. We are pleased to have served the people of your town in these ways.

Robert G. Peck
Executive Director

## 1977 DOG OFFICER'S REPORT
### Jan. 1, 1977 to Nov. 1, 1977

| | |
|---|---|
| Number of Complaints | 183 |
| Number of Dogs Disposed of | 18 |
| Number of Dogs Hit by Cars | 14 |
| Number of Dogs killed by Cars | 5 |
| Number of Dogs Poisoned - Dead | 2 |
| Number of Stray Dogs | 42 |
| Number of Lost Dogs (surrounding town also) | 52 |
| Number of Lost Dogs found (reported) | 50 |
| Number of Dog Bites (reported) | 13 |
| Number of Homes found for Strays | 15 |
| Number of Dogs put in Kennel | 43 |
| Number of Dead Dogs | 1 |
| Number of Dead Cats | 1 |
| Number of Cats disposed of | 7 |
| Number of Stray Cats | 5 |
| Number of Homes found for Stray Cats | 1 |
| Number of People taken to court | 19 |
| Number of Phone Calls | 407 |
| Number of Miles Traveled | 1,573 |

Dog Officer, Oscar St. John, was on vacation Nov. & Dec. Replaced by Loran Welch, Jr.

### Nov. 1, 1977 thru Dec. 31, 1977

| | |
|---|---|
| Number of Complaints | 16 |
| Number of Dogs Disposed of | 4 |
| Number of Dogs hit by Cars | 1 |
| Number of Stray Dogs | 2 |
| Number of Lost Dogs | 10 |
| Number of Lost Dogs found (reported) | 6 |
| Number of Dog Bites (reported) | 1 |
| Number of Homes found for Strays | 10 |
| Number of Dogs put in Kennel | 7 |
| Number of Cats disposed of | 3 |
| Number of Phone Calls | 88 |
| Number of Miles Traveled | 306 |

## DUDLEY-TUCKER LIBRARY LIBRARIAN'S REPORT

For the fourth consecutive year, the Dudley-Tucker Library has met the New Hampshire State-wide Library Development Program requirements for library service to the community.

During the summer, the library conducted a summer reading program for the children. Fifty-seven children participated and were awarded mobiles for reading five books.

For the second consecutive year, the library has presented a monthly film program for children. Films are shown on the last Saturday of every month during the school year.

Using revenue sharing money that was appropriated in 1977, the library purchased a movie projector and screen. Also additional bookshelves were built and an addition to the card catalog was purchased.

The library is receiving a gift of 100 recordings through a grant from the Rockefeller Foundation. This record series traces the social and cultural history of the U.S. through its music.

Circulation and new borrowers have increased steadily during the past year.

## LIBRARY STATISTICS

| | |
|---|---|
| Total Circulation in 1977 (a 43% increase) | 9189 |
| Number of Books Added Through Purchase or Gift | 638 |
| Number of Paid Magazine Subscriptions | 24 |
| Number of Gift Magazine Subscriptions | 11 |
| Number of New Borrowers Registered | 280 |

We would like to thank the following for donations of library materials, money, and/or time:

Gwendoline Barnes
Shirley Barnes
Keith Benjamin
Harold Burns
Mr. & Mrs. William Byrne
Margaret Case
Linda Colton
Marjorie Dannis
Mr. & Mrs. Norris Gove

Margaret Case
Linda Sordillo, Librarian

## ANNUAL REPORT OF THE RECREATION COMMISSION

The Recreation Commission met regularly each month at the Town Office Building. Members are Ivan Reed and Marjorie Dannis, appointed by the Selectmen, Hughin Holt and Wayne Bailey, appointed by the School Committee, and Bill Harmon, Planning Board appointee. Alternate members who attend regularly and vote in the absence of regular members are Ralph Cenatiempo and Ted Johnson, who replaced George MacVicar.

The summer program was run as usual at the School Playground where 154 children were registered and also at Onway Lake where 177 boys and girls were registered. Of this number one-third advanced to the next level, which is the average yearly number. There were also three mountain climbing trips to Mt. Chocorua, Mt. Clinton, and Mt. Lafayette.

An average of 135 people participate weekly in the winter program. This included Men's Basketball, Women's Basketball, Men's Volleyball, Women's Volleyball, Co-Ed Volleyball, an Open Hoopshoot, and a Children's Ballet class. Other activities include a Gymnastic Clinic, Ski Trip to Waterville Valley, Ping Pong Tournament and a highly successful Donkey Basketball game. These events included about 500 people.

Proceeds from the Donkey Basketball game have been used to prepare the skating rink behind the Lion's Club, supplies, Basketballs and Volleyballs.

The Commission has planned a ski tow, cross country trails, and executing a use agreement with the School Committee. This agreement has been praised by the Bureau of Outdoor Recreation as a model for the state.

Credit for organizing the various activities and programs for rounding up instructors, chaperones and drivers goes to Recreation Director, Rick Bates, whose salary is presently funded through a federal grant which will expire June 30, 1978. The office secretary has been funded through the same grant for the same period.

Bates wrote a second grant which enables the Commission to hire workers until May 15; these people work on the skating rink and other outdoor recreation projects. The Commission could employ two more people but we have had no referrals from the Job Security people.

1978 programs already scheduled include a Senior Citizen Exercise class, a fitness trail construction, children's basketball class and construction of mini-parks.

A Warrant Article is being includea to see if the Town of Raymond will raise and appropriate a sum not to exceed $18,535.00 to finance Recreation Commission programs for 1978. Said $18,535.00 to be apportioned as follows:

| | |
|---|---|
| Summer salaries for 6 people for 7 weeks, 35 hours weekly, plus a Saturday lifesaver | $6,047.00 |
| Other salaries (July to December) | 7,600.00 |
| Social Security | 500.00 |
| Office expenses | 1,150.00 |
| Bus insurance | 500.00 |
| Summer program equipment & supplies | 1,160.00 |
| Winter program equipment & supplies | 300.00 |
| Summer program maintenance & repair (swim prog. & playground) | 374.00 |
| Capital improvements, summer program | 504.00 |
| Capital improvements - Mini-parks | 900.00 |

## REPORT OF HIGHWAY AGENT

**MAINTENANCE**

Aside from normal maintenance of plowing, sanding, salting and road patching, we did some much needed excavations on the Onway Lake Road near the Langford Road some drilling and blasting, much rock removal and widening of the road. A much needed suitable turn around at the end of Otter Road. Graveling Green Road. Cleaning out ditchlines at problem areas.

**TARRING**

Tarring monies available for the year was used in part for resurfacing at some points with a hot Bituminous mix and rolled hard surface. Whereas there tends to be a lot of traffic and sharp corners this method is a longer lasting and cleaner application. I believe by using this kind of application at different points that there would be less maintenance to them such as a lot of pot holes. The initial cost is far greater but the results should be a cleaner, more uniform and long lasting. Our first critical points to use this method was the yard at the highway garage, then we went to Wight Street and Old Manchester Road, Incidental places on Harriman Road, Center Street, Morrison Road. Seal coat in applications were done on Onway Lake Road, Otter Road, Center Road, Harriman Hill Road, Green Hills, Fordway Road, and Morrison Road.

**TOWN ROAD AID**

Our funds for this are available for the purpose of installing a very large culvert at the Fordway Brook. The structural culvert will measure 96 inches in diameter and approximately 50 feet in length. It is recommended by the State Engineer that before this construction begins that the town will have to acquire easements from the land owners that will be involved within the excavations of the project.

**ROADS**

We have situations in various locations on some of the older town roads where you could say it is accident prone. In most instances the road is too narrow for the amount of traffic and the speed of traffic that use it. Quite often it is the top of a hill which will impede visability, other instances it is ledge content that narrows the roadway. Repairs of this nature is beyond the point of maintenance and is construction items. One such place is on Old Manchester Road at the residence of George Jones and Chester Robbins. I have inserted an article in the Town Warrant for funds to eliminate this condition. I feel that as funds arrive from our Town Road Aid, State Funds, that we should keep in mind of some programming of construction on Lane Road there are some too narrow spots in places for todays traffic. Green Road is another road that should have some widening with ditchlines and tarred. The dirt part of this road especially in front of the residences is just too much for the amount of dust and the traffic that uses it.

**LANDFILL**

Donald Maynard, Caretaker at the dump, is doing a good job. It was decided that the dump would be open Monday thru Saturday at 8:00 AM to 12:00 noon and from 1:00 PM to 4:00 PM for a total of 42 hours per week. The dozer at the dump is in very good shape. Undoubtedly, the town 1971 International Dump Truck will have to be replaced with something more efficient next year. Not only for the dump but for the Highway Department for Winter Maintenace.

**EQUIPMENT**

This is the second winter that the town has had the Mack truck. It has done its job very satisfactory. The mileage is 16,000 miles. The town Hough Loader which is 10 years old has over 6,000 hours on it. It is getting tired and is in need of major repair. My beliefs are that if funds are available or can be made available at this time, serious thoughts should be given to updating this piece of equipment. The grader, the Mack truck and the loader are very necessary pieces of highway equipment. They are all subjected to hard work in plowing, digging, hauling, etc. They all have to have and do have ample amounts of maintenance work on them and eventually they wear to a point where a decision has to be made of whether or not it would be more beneficial to update the equipment or to invest monies in major repairs and we are faced with a situation at the present time with the town loader.

the present time with the town loader.

In learning of the fact that the town will be accepting a new town clerk, town tax collector and town treasurer, I would like to express my sincere thanks for the many services they have helped me with over the years. "They have been a very dedicated people."

I will thank the Fire and Police Departments and the men who make up the Highway Department and I thank the Board of Selectmen and the Citizens of Raymond for their cooperation and support.

Respectfully submitted,
Lyman R. Hammond, Jr.
Highway Agent

# Town Warrant

and

# Town Budget

of the

Town of

RAYMOND

NEW HAMPSHIRE

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Raymond in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Raymond High School Gymnasium in said Raymond on Tuesday, the fourteenth day of March 1978, at ten o'clock in the forenoon to act upon the following subjects:

The polls will not close before six o'clock P.M.

1. To choose all necessary Town Officers for the year ensuing.

2. To see what action the Town will take relative to the playing of Beano in the Town of Raymond.

3. On petition of thirteen voting residents, to see if the Town will vote on the following:

Do you favor adoption of the Town Manager Plan as provided in Chapter 37 of the Revised Statutes Annotated?

4. To see if the Town will vote to enact the amendments to the Zoning Ordinance as proposed by the Raymond Planning Board.

5. Whereas the Town of Raymond has adopted the Municipal Budget Law, to see if the town will vote:

_____ A To have the moderator appoint the members-at-large of the Town Budget Committee, or

_____ B To have the voters elect the members-at-large of the Town Budget Committee at the annual Town Meeting

and

To see if the town will vote to have one of the following numbers of members-at-large for the Town Budget Committee:

_____ (3 members)

_____ (6 members)

_____ (9 members)

_____ (12 members)

6. To see if the Town of Raymond will vote to rescind its prior vote providing for the election of the Chief of Police at its Annual Town Meeting and to provide that at the time of the 1979 Annual Town Meeting and thereafter, all full-time police officers of the town, including the Chief of Police, shall be appointed officials to be set at the 1979 Town Meeting and thereafter. Said appointment shall be made after job openings have been advertised in local newspapers, applicants for said positions shall pass a written test administered by the N.H. Department of Personnel and have an oral interview with the three Selectmen and two voters of the town appointed by the Town Moderator to serve at no cost to the town, as an appointment board.

7. To see if the Town will adopt the provisions of RSA 72:43-b and 43-c for Expanded Elderly Exemptions of Real Estate which provides for a resident 65 years of age up to 75, a $5,000.00 exemption; a resident 75 years of age up to 80, a $10,000.00 exemption; a resident 80 years of age and older, an exemption of $20,000.00. Provided that the resident owns real estate individually or jointly with another or his spouse with whom he has lived for at least five years as man and wife, that said resident has a net income of less than $7,000.00 or combined income with spouse of less than $9,000.00, and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of $50,000.00.

Given under our hands and seal, this Twentieth day of February, in the year of our Lord nineteen hundred and seventy-eight.

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Raymond in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Raymond High School Gymnasium in said Raymond on Saturday, the eighteenth day of March 1978, at ten o'clock in the forenoon, to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of same.

2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

3. To see if the Town will vote to authorize the Board of Selectmen to sell at Public Auction any property acquired by Tax Collector's deeds.

4. To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend up to $50,000.00 (fifty thousand dollars) of funds that may become available to the Town under "The Comprehensive Employment and Training Act of 1973" as amended (CETA) for the purpose of providing federally subsidized training and employment opportunities to benefit both residents of the community and the community-at-large.

5. To see if the Town will authorize the Selectmen to apply for Federal Funds under the provisions of the Housing and Community Development Act of 1974.

6. To see if the Town will vote to institute a policy whereby members of the Raymond Highway, Police, Water, and Fire Departments, and School and Town Building custodians meet a residency requirement within six months of their date of hire, unless said requirement is waived by the Board of Selectmen because of financial hardship, housing shortage, or health problems.

7. By voter petition, to see if the Town will vote to order a re-evaluation of properties in the Town, to be conducted by State of New Hampshire Tax Commission Assessors.

8. To see if the Town will vote to raise and appropriate the sum of $50,000.00 for the purpose of a re-evaluation of properties in the town by N.H. Tax Commission Assessors.

9. To see if the Town will vote to raise and appropriate the sum of $288.00 (two hundred eighty-eight dollars) to assist the Rockingham Child and Family Services, a non-profit organization, in realizing the costs of services rendered to Raymond residents during the year 1977.

10. To see if the Town will vote to raise and appropriate the sum of $2,000.00 (two thousand dollars) to assist the Seacoast Regional Counseling Center, Inc.

11. To see if the Town will vote to raise and appropriate the sum of $2,000.00 (two thousand dollars) to assist the Ray-Fre Senior Citizens Center, Inc.

12. To see if the Town will vote to raise and appropriate the sum of $1,000.00 (one thousand dollars) to assist the Area Homemaker Home Health Aide Service.

13. To see if the Town will vote to raise and appropriate the sum of $500.00 (five hundred dollars) to assist the Newmarket Health Center, Inc.

14. To see if the Town will vote to raise and appropriate the sum of $5,286.55 (five thousand, two hundred eighty-six and 55/100's dollars) to assist the Exeter Area Visiting Nurse Association, Inc.

15. To see if the Town will vote to raise and appropriate the sum of $700.00 (seven hundred dollars) to be added to funds granted by the State of N.H. Department of Resources and Economic Development and to be used for the installation of two dry hydrants and the cleaning of existing fire wells.

16. To see if the Town will vote to raise and appropriate the sum of $1,100.00 (one thousand, one hundred dollars) for the installation of a fire alarm system in the Historical Society Building.

17. To see if the Town will vote to raise and appropriate the sum of $3,000.00 (three thousand dollars) for the purpose of rebuilding and remodeling the second floor of the Fire Station.

18. To see if the Town will vote to raise and appropriate the sum of $1,608.95 (one thousand, six hundred eight and 95/100's dollars) for the purpose of funding the town's membership in the Southern New Hampshire Planning Commission.

19. To see if the Town will vote to appropriate the sum of $6,000.00 (six thousand dollars) for the purchase of a new Police Cruiser and to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund, established under the provision of the State and Local Assistance Act of October, 1972.

20. To see if the Town will appropriate the sum of $7,490.00 (seven thousand, four hundred ninety dollars) for the purchase of fire equipment as follows, and to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund, established under the provision of the State and Local Assistance Act of October, 1972: Portable Radio - $885.00; Rechargeable hand lights - $300; Hose - $1,825; Sirens for Army Tank Trucks - $670.00; Fire Helmets - $240.00; Fire Coats - $530.00; Fire Boots - $240.00; Aire Paks - $2,800.00.

Sirens for Army Tank Trucks - $670.00; Fire Helmets - $240.00; Fire Coats - $530.00; Fire Boots - $240.00; Aire Paks - $2,800.00.

21. To see if the Town will vote to raise and appropriate the sum of $32,500.00 (Thirty-two thousand, five hundred dollars) for the purpose of replacing the town's 1968 Hough, financing for same to be through A) the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972, or B) the Municipal Bond Act.

22. To see if the Town will vote to widen, gravel, and surface another portion of Green Hills, appropriating the sum of $10,000.00 (ten thousand dollars) for the purpose.

23. To see if the Town will raise and appropriate the sum of $3,800.00 (three thousand, eight hundred dollars) to remove the knoll on Old Manchester Road to the point of good visability, at the residence of George Jones and Chester Robbins, and to widen and surface same.

24. To see if the Town will raise and appropriate a sum of money to widen, gravel and surface a part of Green Road. This project of construction will involve approximately one thousand feet from each end of the existing dirt section of the road.

25. To see if the Town of Raymond will vote to raise and appropriate the sum of $18,535.00 (eighteen thousand, five hundred thirty-five dollars) to finance the Recreation Commission program for 1978.

26. On recommendation of the Raymond Growth Committee, a committee duly appointed at the 1977 Town Meeting: To see if the Town of Raymond will purchase as Town Forest Area, any parcel or parcels of land, the total cost not to exceed $8,000.00 from Revenue Sharing Funds, established under the provision of the State and Local Assistance Act of October, 1972. The purchase of said property to be carried out by a Board consisting of one Selectman, one member of the Planning Board, and three members appointed by the Town Moderator.

27. To see if the Town will vote to allow smoking in Public Buildings, including the High School Gymnasium, as long as all due precautions are taken. This applies to non-student activities. Persons using the buildings to take responsibility for any damage resultant.

28. To see if the Town will vote that henceforth all minutes of Town Meetings and Committees be kept on record at the Town Library. This will allow the most townspeople to review the activities of our School Board, Selectmen, Planning Board, etc.

30. To see if the Town will vote to raise the annual salary of the Tax Collector by the sum of five hundred dollars, increasing said salary from $1,500.00 to $2,000.00 yearly, and to raise and appropriate the amount necessary.

31. To see if the Town will raise and appropriate a sum of money to finance the Town Manager Plan as provided in Chapter 37 of the Revised Statutes Annotated.

32. On petition of Amy Mueller Campbell and others, to see if the Town will vote to send a letter to the General Court urging that court to pass legislation prohibiting utilities, such as the Public Service Company of New Hampshire, from charging the consumer higher electric rates to pay for construction work in progress on facilities that are not yet providing services.

33. To see if the Town will vote to adopt the provisions of N.H. RSA 31:105 and to thereby indemnify and save harmless, from loss or damage occurring after this vote, any person employed by the Town of Raymond, and any member of its governing body, administrative staff, or agencies, including, but not limited to, Selectmen, School Board members, Town Manager, and Superintendent of Schools, from personal financial loss and expense, including reasonable legal fees and costs, if any, arising out of any claim, demand, suit, or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of accident resulting in the injury, damage or destruction was acting in the scope of his employment or office.

34. By voter petition, to see if the Town will authorize and direct the Selectmen to re-convey to ENAP Corporation certain real estate which was taken by the Town for 1973 taxes due, in consideration of ENAP Corporation paying to the Town all delinquent taxes, interest, rental fees, and costs.

Given under our hands and seal, this twentieth day of February, in the year of our Lord nineteen hundred and seventy-eight.

*Exeter, New Hampshire 03833*

To the Board of Selectmen
Town of Raymond
Raymond, New Hampshire

We have examined the financial statements of the various funds of the Town of Raymond as of December 31, 1977 and 1976, and for the year ended December 31, 1977, as listed in the preceding table of contents. Our examinations were made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the various funds of the Town of Raymond at December 31, 1977 and 1976, and the results of operations of such funds for the year ended December 31, 1977, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Exeter, New Hampshire

# TOWN OF RAYMOND

## NOTES TO FINANCIAL STATEMENTS

### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Raymond conform to generally accepted accounting principles as applicable to governmental units. The following is a summary of the significant policies.

### BASES OF ACCOUNTING

The modified accrual basis of accounting is followed by all funds. Modifications to the accrual basis consist generally of:

1. Revenues are recorded as received in cash except for
   (a) revenues susceptible to accrual and
   (b) material revenues that are not received at the normal time of receipt.

2. Expenditures are recorded on an accrual basis except for:
   (a) disbursements for inventory type items, which may be considered expenditures at the time of purchase;
   (b) prepaid expenses, which normally are not recorded;
   (c) interest on long-term debt, which should normally be an expenditure when due; and
   (d) the encumbrance method of accounting.

### GENERAL FIXED ASSETS

General fixed assets purchased are recorded as expenditures in the general fund or appropriate special fund at the time of purchase. No depreciation has been provided on general fixed assets.

### GENERAL LONG-TERM INDEBTEDNESS

In recording long-term debt, the Town of Raymond conforms with guidelines set forth in the National Committee on Governmental Accounting publication Governmental Accounting, Auditing and Financial Reporting (GAAFR). The GAAFR principle, which is a component of generally accepted accounting principles, requires that general obligation bonds and other forms of long-term debt supported by general revenues are obligations of the Town as a whole and not its individual constituent funds. Therefore, such long-term liabilities should not be carried as specific liabilities of any fund, but should be set up in a separate financial statement of the Town.

### TRUST FUNDS

Trust funds in the custody of the Town's trustees are accounted for on the cash basis. Such accounting is consistent with applicable regulations regarding funds held for investment by trustees of trust funds.

NOTE 2 - TOWN OFFICERS' SALARIES

Expenditures for town officers' salaries are comprised of established annual salaries and, where applicable, fees based upon the volume of taxes or licenses collected.

NOTE 3 - LITIGATION AND CONTINGENT LIABILITIES

The Town has been named defendant in two lawsuits involving the enforcement of building moratorium ordinances enacted at the March, 1977 town meeting.

The ordinances, which limit the number of building permits to be issued, have been challenged by local developers who are seeking to have additional building permits issued by court intervention. One of the lawsuits is also seeking the recovery of damages.

The Town's restriction on the issuance of building permits has been upheld by the Superior Court as a reasonable measure to control growth. In the opinion of counsel, it is unlikely the plaintiff would be entitled to damages in the resolution of this matter.

The Town is also defendant in an action brought in 1976 by an individual seeking to recover damages for slander and false imprisonment involving the Police Department. The case has not reached a conclusion in the Superior Court, however, the claim, if successful, would be fully insured by the Town's liability insurance carrier.

# AUDIT REPORT

## for the

# RAYMOND WATER DEPARTMENT

## 1977

*Henneberry & Stone*
*Certified Public Accountants*
*Exeter, New Hampshire 03833*

To the Board of Commissioners
Raymond Water Department
Raymond, New Hampshire

We have examined the statement of revenues and expenditures, arising from cash transactions, of the Raymond Water Department for the years ended December 31, 1977 and 1976, and the related statement of long-term indebtedness for the same years ended. Our examinations were made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The accompanying statements do not give effect to accounts receivable, accounts payable, or other accrued items. Accordingly, the statements do not present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the aforementioned financial statements present fairly the revenues and expenditures arising from cash transactions, of the Raymond Water Department for the years ended December 31, 1977 and 1976, and the long-term indebtedness outstanding as of December 31, 1977 and 1976, and the changes thereto for the years then ended. All statements are presented on a basis consistent with that of the preceding year.

Exeter, New Hampshire

## RAYMOND WATER DEPARTMENT
## NOTES TO FINANCIAL STATEMENTS
## DECEMBER 31, 1977 AND 1976

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Raymond Water Department prepares its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Under such accounting procedures, no balance sheet is presented since the cash balance represents the fund balance.

Fixed assets purchased are recorded as expenditures at the time of purchase. No depreciation has been provided on such fixed assets.

NOTE 2 - HYDRANT RENTAL

The Raymond Water Department receives an annual appropriation from the Town of Raymond for the rental of hydrants. During the years ended December 31, 1977 and 1976, the Department received no other appropriation from the Town of Raymond.

NOTE 3 - CASH

The cash balance as of December 31, 1977 and 1976 was held in a checking account in the Exeter Banking Company.

## ANNUAL REPORT OF COMMISSIONERS

During the year 1977 we have experienced some broken mains, services, and gate valves which caused expenditures for repairs and maintenance to increase. There was also an increase in costs due to quite a few frozen services.

There is currently a problem with certain galvinized services, old mains and dead ends which will require this Department's attention in 1978.

Because of problems incurred in the collection of outstanding water bills, we are forced to reconsider our billing procedures so as to avoid future undue hardship at the advantage of some of our water users.

We wish to express our thanks to all those concerned people who have provided assistance, suggestions and timely advice.

Respectfully submitted,

s/James E. Snow, Sr.
Commissioner

## RAYMOND
## SCHOOL DISTRICT MEETING
## March 5, 1977

The Raymond School District meeting was called to order at 7:00 p.m. in the Raymond Community Gymnasium by the Moderator Frank G. Case having been duly sworn by the Moderator, Nelson E. Sherman acted as Assistant Moderator.

Method of voting: Articles that were not voted upon by secret ballot were voted upon by raising pink colored voting cards with letter "F" on them; unless declared otherwise by the Moderator. School District voters received the cards from the Supervisors of the Check List after stating their name to the Ballot Clerks and being checked off on the Check List.

**Article 1**

Motion: By John Ornell, duly seconded by Hughin Holt that Article 1 be acted upon at this time and that the polls remain open until 9:30 p.m. or until the close of the meeting, whichever is later.

The Moderator declared the polls opened at 7:04 p.m. The Moderator declared a recess at 7:05 p.m. for 20 minutes so the voters could vote for school district candidates. At 7:25 p.m. the recess declared over.

Results of the Secret Ballot vote for Article 1 is as follows:

School Board Members for three years: (Two)

| | |
|---|---|
| Joseph B. Elliott | 111 votes |
| Sally L. Paradis | 112 votes |

School District Treasurer for one year:

| | |
|---|---|
| Phyllis A. Gove | 134 votes |

School District Clerk for one year:

| | |
|---|---|
| Elinor Rollins | 119 votes |

School District Moderator for one year:

| | |
|---|---|
| Frank G. Case | 131 votes |

Total Ballots cast: 148

(No absentee Ballots cast.)

Motion: By Margaret Edwards and duly seconded by Harriet Cady; Mr. Moderator, I, Margaret Edwards, and five other registered voters wish to make the motion to adjourn this meeting from tonight until Saturday, Mar. 19, at 12:00 noon in order to allow more discussion of the school budget.

This motion is to be voted on by Secret Ballot.

Margaret Edwards (Signed)
Elinor R. Rollins
Gloria G. Grace
Patricia M. Edwards
Harriet E. Cady
Jane B. Clark

by Secret Ballot: Yes 54 No 84 Voted in the Negative.

The meeting was recessed at 7:29 p.m. for about 20 minutes in order to vote. The poles were closed at 7:45 p.m.

**Article 2**

Motion: By John Ornell, duly seconded by Sally Paradis that Article 2 be indefinately postponed.

Voted by a show of cards: Affirmative.

**Article 3**

Motion: By John Ornell, duly seconded by Marion Lovejoy that the report of the auditors as set forth in the annual report of the District be accepted and placed on file.

Voted by a show of cards: Affirmative.

**Article 4**

Motion: By John Ornell, duly seconded by Sally Paradis that the District authorize the School Board to accept on behalf of the District any Federal or State Funds, including Manpower Administration funds and Department of Resources and Economic Development funds, or gifts from either private or public sources, designed to improve educational opportunities; and also authorize the School Board to make application for such funds and to expend the same for projects as it may designate.

Voted by a show of cards: Affirmative.

**Article 5**

Motion: By Hughin Holt, durly seconded by Marion Lovejoy that the School District raise and appropriate the sum of $10,000.00 for the purchase of approximately 2.03 acres of land in Raymond with the buildings thereon, said land being owned by Harry L. and Winifred M. Leavitt. The land and buildings to be used for purposes consistent with the terms and conditions of any grant that might be made to the Raymond School District by the Federal Bureau of Outdoor Recreation.

A Secret Ballot vote was requested by seven registered voters:
Margaret Edwards
Gloria G. Grace
Jane B. Clark
Lillian Neeper
Elinor R. Rollins
Harriet E. Cady
Jay Neeper

The Moderator declared the polls opened at 8:36 p.m. A short recess taken in order to vote. The Moderator declared the polls closed at 8:50 p.m.

Voted by Secret Ballot: Yes 76
No 62 Voted in the Affirmative.

**Article 6**

Motion: By Hughin Holt, duly seconded by Gloria Carney that the District direct the Raymond School Board to apply for and receive from the Bureau of Outdoor Recreation all funds to which the District is entitled as the result of the acquisition of the land set forth in Article 5, and to expend the same.

Voted by a show of cards: Affirmative.

**Article 7**

Motion: By Hughin Holt, duly seconded by James Fernald that the Raymond School Board proceed with the expenditure of $27,054.03 (with accrued interest) for recreational purposes, said sum being appropriated at the 1975 Annual School District Meeting and further direct the Raymond School Board to proceed with its application to the Bureau of Outdoor Recreation for matching funds in the amount of $27,050.00 voted at the 1976 Annual School District Meeting, all such sums to be expended for purposes consistent with the Federal Bureau of Outdoor Recreation requirements.

Voted by a show of cards: Affirmative.

**Article 8**

Motion: By John Ornell, duly seconded by James Iavino that the District raise and appropriate the sum of thirty-eight thousand ($38,000.00) dollars to fund an expected deficit in such amount for the 1976-77 school year.

Voted by a show of cards: Affirmative.

**Article 9**

Motion: By John Ornell, duly seconded by Anne MacLaren that the District raise and appropriate the sum of seven hundred forty-eight thousand four hundred forty-two dollars and seventy-five cents($748,442.75) to fund all cost items relating to teachers' salaries and benefits for the 1977-1978 school fiscal year, forty-six thousand one hundred sixty-eight dollars and fifty-six cents ($46,168.56) of such sum representing the cost of those additional salaries and benefits offered to the teachers by the School Board in the bargaining session which are still going on.

Voted by a show of cards: Affirmative.

**Article 10**

Motion: By John Ornell, duly seconded by Sally Paradis that the Raymond School District raise and appropriate the sum of $893,347.55 for the support of schools, the payment of salaries and other benefits for the School District officials and agents other than benefits and salaries payable to teachers, and for the payment of statutory obligations of the District.

Voted by a show of cards: Affirmative.

Amendment: By Margaret Edwards, duly seconded by Jane Clark that the budget be increased by $6,500.00 with recommendation this increase be applied to line item 215 TEXTBOOKS.

Voted by a show of cards: Affirmative.

**Article 11**

Motion: By Jane Clark, duly seconded by Elinor Rollins that Article 11 be accepted as written.

Voted by a show of cards: Affirmative.

**Article 12**

Motion: By Harriet Cady, duly seconded by Margaret Edwards that Article 12 be accepted as written.

Voted by a count of show of cards: Yes 59
No 54 Voted in the affirmative.

**Article 13**

Motion: By Jane Clark, duly seconded by Margaret Edwards that Article 13 be accepted as written.

Voted by a show of cards: Negative.

Amendment: By Elinor Rollins, duly seconded by Margaret Edwards that Article 13 would in-

clude entire school standardized achievement testing to be distributed on a grade-by-grade basis and to be published via the School Board Newsletter.

Voted by a show of cards: Negative.

**Article 14**

Motion: By Harriet Cady, duly seconded by Jane Clark that Article 14 be accepted as written.

Voted by a show of cards: Negative.

**Article 15**

Other Business

The following resolution was presented by John Ornell:

Whereas Marion E. Lovejoy has served the Raymond School District for 6 years and whereas tonight marks the end of her membership on the School Board, be it therefore resolved that the Townspeople of Raymond, in District Meeting assembled, vote their thanks and appreciation to Mrs. Lovejoy for her service to the District.

There being no further business, the meeting adjourned at 11:20 p.m.

Rita M. Curtis,
School District Clerk

## RAYMOND SCHOOL DISTRICT
## WARRANT
## THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF RAYMOND, COUNTY OF ROCKINGHAM AND STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Community Gymnasium in said District, on the fourth day of March, 1978, at seven o'clock in the evening to act upon the following articles:

1. To choose school district officials for the ensuing year.

2. To choose agents and committees in relation to any subject embraced in the Warrant.

3. To hear the reports of Auditors and pass any vote relating thereto.

4. To see if the District will authorize the School Board to accept on behalf of the District any Federal or State funds, including Manpower Administration funds and Department of Resource and Economic Development funds, or gifts from either private or public sources, designed to improve educational opportunities; further, to see of the District will authorize the School Board to make application for such funds and to expend the same for projects as it may designate.

5. To see if the District will vote to raise and appropriate the sum of Sixteen Thousand Dollars ($16,000.00) for the purchase of approximately One and Three-Tenths (1.3) acres of land in Raymond with the buildings thereon, said land being owned by Roger L. and Shirley E. Emery.

6. To see if the District will vote to direct the Raymond School Board to apply for and receive from the Bureau of Outdoor Recreation all funds to which the District is entitled as the result of the acquisition of the land set forth in Article 5, and to expend the same.

7. To see if the District will vote from this date forward to indemnify and save harmless from loss or damage, any person employed by it, including the Superintendent of Schools and any member of the school board, administrative staff or agencies, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction, was acting in the scope of his employment or office.

8. To see if the District will vote to raise and appropriate the sum of Sixteen Thousand Dollars ($16,000.00) to fund an expected deficit for Special Education for the 1977-1978 school year.

9. To see if the District will vote to raise and appropriate the sum of Seven Hundred Eighty-four Thousand, Eight Hundred and Seven Dollars ($784,807.00) to fund all cost items relating to teachers' salaries and benefits for the 1978-1979 school fiscal year, Forty-five Thousand, Seven Hundred Seventy-eight Dollars ($45,778.00) of such sum representing the cost of those additional salaries and benefits offered to the teachers by the Raymond School Board in the Collective Bargaining Session.

10. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory obligations of the District.

11. By petition of ten legal voters: To see if the District will vote to direct the Raymond School Board to provide tuition remittance for students attending any private school located within the Town of Raymond, providing that the school enrollment, elementary and/or secondary, has reached capacity. The amount of tuition to be provided to equal one-half of the Raymond School District's per pupil cost. If necessary, a lottery will determine the students receiving tuition remission.

12. By petition of ten legal voters: By petition of the undersigned voters that henceforth minutes of all Town committees be kept on record at the Town Library. This will allow the most townspeople to review the activities of our school board, selectmen, planning board and etc.

13. By petition of ten legal voters: This is a petition to the Raymond School Board that forty-eight hours previous to all school board meetings that a notice will be sent from school via the children that they are having a meeting and that the agenda will be on this notice.

14. By petition of ten legal voters: To see if the District will allow the election of school district officers to be by separate ballot at the annual Tuesday Town Meeting in the Town of Raymond, New Hampshire.

15. To choose two Raymond voters to serve as members of the Raymond School District Staff Development Committee for the ensuing year.

16. To transact any other business that may legally come before this meeting.

Given under our hands at said Raymond, New Hampshire, this 16th day of February, 1978.

## SCHOOL BOARD REPORT

Enjoying a temporary respite from the demands of housing problems and building projects, the board last year turned its attention to the needs of curriculum and staff development. A curriculum committee has been appointed, consisting of school administrators, teachers and parents. This committee will plan for future curriculum and will establish a logical and systematic progression of the curriculum from grades one through grade twelve.

A future needs committee, consisting of school administrators, board members and parents was appointed to study both the short range and long range housing needs of the district and to report to the school board its recommendations on how to best meet these needs.

Under the direction of maintenance supervisor Wilfred Cunningham the boys and girls shower rooms at the rear of the media center have been converted into a guidance and classroom area. This was a major project that was completed at a very reasonable cost with our maintenance staff doing the bulk of the work.

While Raymond continues to have a per pupil cost that is among the lowest in the state, sharply rising utility costs among others continue to exceed budget estimates. Another area of sharply rising costs is that of education for the handicapped. The special needs of many handicapped youngsters have long been overlooked and recent congressional and court action, plus public pressure, now mandates that the needs of these youngsters be met. These programs are very costly and the legislature will tackle the problem of whether the state or the local communities will bear the cost. It is our expectation that the local districts will wind up paying the lion's share of the cost.

There are a couple of encouraging notes upon which to end our report. The superintendent reports that the supervisory and teaching staffs of the High and Elementary schools are doing an excellent job and that the many changes in our teaching staff last fall has resulted in a greatly strengthened faculty in both areas.

The final payment on the 1958 bond issue for the 200 wing of the high school will be made in 1978. This was the first of the current round of building projects to meet the increasing enrollments in our schools.

Raymond School Board

## SUPERINTENDENT'S REPORT

On June 11, 1969, the New New Hampshire State Board approved the following:

1. September 1, 1972 as the effective date for local schools to begin implementation of "Minimum Standards and Recommendations for New Hampshire Elementary Schools for School Approval, K-8".

2. July 1, 1969 as the effective date for space requirements for new school facilities, additions and renovations.

### PURPOSE OF MINIMUM STANDARDS

The major reasons for planning, organizing and establishing a minimum standards program for public elementary education are to; (1) improve the quality of learning and teaching in New Hampshire, and (2) see that each child has an equal opportunity for learning.

### PROJECT GOALS

To Require:

Public elementary schools to develop a written statement of philosophy.

Schools to develop organizational patterns that best meet the needs of all children.

Sound administration and supervision in the elementary school.

A broad, well-balanced elementary school curriculum.

Well-qualified and sufficient teaching personnel to meet adequately the needs of all the children.

Sound in-service education programs for all teachers.

Good library facilities and services in all public elementary schools.

Good guidance and counseling services in all public elementary schools.

Functional modern elementary school facilities.

This past fall, Mr. John G. Economopoulos, Assistant Chief and elementary education advisor, spent approximately a week in Supervisory Union no. 15 evaluating the status of all the elementary schools in the area of minimum standards.

With his permission, I am incorporating in this report his findings:

Commend:

1. The Superintendent of Schools and the Supervisory Union no. 15 staff for the outstanding leadership provided to all the elementary schools.
2. The Assistant Superintendent for his leadership and help in the building of the new elementary school in Raymond.
3. The school principals for the leadership they express with their respective staffs and for the excellent staff morale and school discipline that was evident in my visitations.
4. The teachers for the "control" and positive behavior of the children; as well as their work in curriculum and staff development.
5. The children for their school behavior.
6. The local school boards in Supervisory Union no. 15 for their realistic support of the Minimum Standards policy. The local school board support is outstanding.

A special commendation is extended to the local school boards for the significant improvements made in the elementary schools prior to this visitation.

Also, your high quality expectations from staff and children is highly commendable. The general morale appeared high and reflected a spirit of cooperation with parents.

The school principals reflected a variety of administrative styles and this could be a very encouraging element because they reflected a supportive and helpful attitude toward parents, staff and children."

## SCHOOL STATUS

The Lamprey River Elementary School met 90 percent or more of the present standards, therefore, the recommendation to the Commissioner of Education will be made as follows:

"To approve the Lamprey River public elementary school in Supervisory Union no. 15 and place them in Category II".

Of the five categories developed and through the 18 major areas of consideration, it has been found that the local school board had initiated meeting these minimum standards as early as 1969. It is therefore appropriate, to commend board members who admirably served during this time: John Ornell, Frank Case, Hughin Holt, Sally Paradis, Marion Lovejoy, Gloria Carney, Edward Thompson, Ruby Colligan, and Joseph Elliott.

A special note of thanks should be extended to Mr. John Callaghan, Principal of Raymond Junior Senior High School and Mrs. Deborah Harvey, Assistant Principal, and staff for their efforts in the orderly transition of preparing students for the comprehensive program at the Junior Senior High School. A job well done.

With the new federal legislation of Handicapped Students the Law 94-142 and 504 concerned with the education of handicapped students, approximately 6 percent of the students in the Raymond School District have been identified as Educationally Handicapped. These are students who, due to physical, intellectual, and emotional handicaps require specialized instruction or support services in order to benefit from instruction. These handicapping conditions include such things as retardation, learning disabilities, severe vision or hearing problems, speech and language problems and emotional disturbances.

Several handicapped students with very severe or infrequently found handicaps attend special school programs outside of Raymond; most students, however, have their needs met right in the Raymond schools. Resource programs at both the elementary and junior senior high school levels, speech and language therapy, learning disability, special reading and counseling program and diagnosic/presciptive services are all available to handicapped students. Comprehensive programs tapping these services are designed for students in need, by the Special Education Evaluation Placement Team.

I would therefore, like to extend my sincere thanks to the community, the administration and the staff for the support given to your school.

Respectfully submitted,
David R. Cawley
Superintendent of Schools

## ANNUAL REPORT OF THE JUNIOR-SENIOR HIGH SCHOOL PRINCIPAL

To:

The Superintendent and the School Board

Off "double sessions" at last!!!

Although renovations were still in progress, students and faculty alike were most happy with the expanded facility. Music for the first time had its' own quarters. A two station gym has made it possible to expand our offerings in physical education. But the most widely talked about, and the most constantly used part of the total school plant is the new Media Center. It represents probably the finest use of abandoned space in the state of New Hampshire. It has given us much needed conference room space, where students can be worked with on an individual or small group basis. It has given us "quiet space"on the second level, with informal learning space on the main floor, an office for the librarian, and a teachers room. We retained the stage for Drama Club presentations because the new Media Center is acoustically superior to either the old or new gym.

We have had new report cards printed which reflect the wishes of the "grading and reporting committee", established during the Spring, and whose recommendations were adopted by the School Board. Reporting still utilizes the letter grade for academic achievement, but is further delineated with a plus or minus. A numerical exponent is used to indicate the degree of application or effort; and a subscript is used to report student attitude or conduct. A full explanation of the coding used is given on the back of the card.

Last year was highlighted by our attendance at, and active participation in, the 61st annual convention of the National Association of Secondary School Principals in New Orleans, Louisana. We received and accepted an invitation to speak, on "Scheduling in the Small Secondary School", early in the Fall. We were part of a three member panel, which made presentations to the convention on Saturday, and again on Monday. It was a very exhilarating and gratifying professional experience.

We found that we were the only one of the three on the panel to use the computer in scheduling. We also found that we were the only one to use an advisor-advisee system to supplement guidance services. While we felt that we had been invited for our conservative, traditional "damn yankee" background, we found that trends seem to be headed in our direction.

We find that we are "middle of the road" in our approach. However, we have incorporated some of the "model schools program" into our own, to wit (1) Advisor-Advisee systems; (2) providing options to the traditional supervised classroom method of instruction (e.g. independent study, work-study, community based study); (3) curriculum change; (4) Mini-courses for quarter and half credit; (5) using existing space more effectively (e.g. media-center, guidance suite); (6) supplementing conventional letter grades with more information measures. These represent six of the aspects of the prescribed model to be achieved by schools in "the model school project". Yet, we should report that we are still doing some of the things we have been very effectively doing for years, in the "meat and potatoes" areas of English and Mathematics.

Having served on the Curriculum Com-

mittee of the National Association for three years, (1971-74) and having investigated all sorts of new programs and innovative practices which have long since succumbed to the test of time, we fail to see the long range value in going to extremes.

Much administrative time was spent in interviewing new staff for this year, and we believe that we have selected the makings of a fine young staff. We have finally added some support staff at the Jr-Sr high level in the area of special needs. Teachers need the security which comes from strong supportive services. This is long overdue.

We feel that we have gathered a staff that is interested in professional betterment, to the everlasting advantage of our students. As staff development concerns itself with local needs, we feel that we must educate for change. For if we expect society to be self-renewing, it must be composed of individuals with a capacity for self-renewal.

Our sincere and heartfelt thanks to:

A truly dedicated staff, devoted to making this an institution in which you can take justifiable pride.

A board of education dedicated to its commitment to improve educational opportunity for all.

And to you, our fellow townspeople, for your continued cooperation and support.

Respectfully submitted,
John J. Callaghan
Principal

## ELEMENTARY PRINCIPAL'S REPORT

The current school year has been an excellent one. The opening was very smooth, and the spirit of both students and staff has been high.

A curriculum guide committee was founded in September. The committee's goals are to develop a guide which will state what skills are taught grade by grade, subject by subject. This should insure greater continuity of instruction. It will be operational in September 1978.

An enrichment program for students of high scholastic ability was begun in January. The purpose is to allow the students to extend themselves beyond the standard curriculum and broaden their backgrounds.

A staff *inservice training and planning project* was started in February. On alternate Wednesdays students are being dismissed early while the staff stays in the school working for the improvement of the educational program.

In October we inaugurated an intramural athletic program for boys and girls of the 4th and 5th grades. Soccer was our fall sport. Basketball and gymnastics are being offered during the winter. We will offer track in the spring. The coaches are Daniel Doherty, David Mousette, and Dorothy Quinn.

Although last year was our first year in the new school, we found that we had outgrown it by September 1977. As a result, the entire sixth grade had to be moved to the junior-senior high school building for the 1977-78 school year.

Our opening day enrollment was 507, grades 1-5. As of January 18, there are 523 students in the elementary school. There are 23 classes. The average class size is 23 students.

This year we were able to add a part-time physical education teacher to the staff.

One of the school's greatest assets is the *special services* that we are able to extend to students with special educational needs. Among these services are occupational therapy, speech therapy, the Title I program for children with learning problems, a learning disabilities program, special education, and guidance. As of January, 40 percent of our student body was receiving one or more such service on a regularly scheduled basis.

All in all, we are very pleased with and grateful for our new building. Mooreover, we believe our school to be one of the very best elementary schools in southeastern New Hampshire.

Respectfully Submitted,
Edward W. Donovan,
Principal,
Lamprey River Elementary School

## STAFF DEVELOPMENT COMMITTEE

The basic goal of Staff Development is to prepare teachers to more adequately meet the educational needs of students in the Raymond school system. The Staff Development Committee offers planning for in-service training of school staff after school hours for the benefit of the students of Raymond. The hours accummulated by the school staff are also recognized as credit towards a staff members recertification by the state of New Hampshire.

During the past several years training sessions have been offered in the areas of: Teacher Effectiveness Training, Pupil Management, Learning Disabilities, Reading, Career Education, development of Learning Centers at the elementary school, development and coordination of English Curriculum by the English Department at the Jr. Senior High School along with innovative projects, courses and workshops taken by individual teachers and approved by the Staff Development Committee.

The Staff Development goals have been developed and evaluated through feedback received from parents, school staff and students of the Raymond Community. At the present time the committee is reviewing and revising its Master Plan for resubmission to the State Department of Education by June 1978.

Richard Thompson, Assistant Superintendent
Edward Donovan, Principal
John Callaghan, Principal
Sharlene Rautio, Chairman

Richard Malette, Student
Jackie Porter, Secretary

## CURRICULUM COUNCIL

The School Board has formed a Curriculum Council for the Raymond School District. The Council held its first meeting on October 25, 1977. The chairman is Supervisory Union 15's Assistant Superintendent, Richard F. Thompson.

In addition to the chairman, the membership is made up of two parents, Rita Curtis, and Joe Smiga; two students, Martin Case and Susan Campbell, two school board members. Sally Paradis, and Hughin Holt, and two administrators, Deborah Harvey, and Edward Donovan.

The council is established by school board policy. Its primary reponsibility is to serve in an advisory capacity for the school district in matters relating to school curriculum, development, and revision. To date the council has acted on such matters as the Elementary School Enrichment Program; and the jr. high school Innerchange Program, an individual and group guidance project. It has also examined standardized achievement test results for grades 1-12.

Currently, the Council is engaged in its most important task to date—developing district-wide goals and objectives. Once adopted, these goals and objectives will determine the direction of the educational program for our schools.

During the current year the council is meeting on the 4th Tuesday of every month at 7:00 p.m. in the high school media center. The public is invited to attend.

## HEALTH EDUCATION PROGRAM REPORT

The Health Education Program in the Raymond school system is finally taking hold and is becoming an exciting part of the student's curriculum. Presently we are in the process of developing a comprehensive health program for grades 1-12.

At the high school level there are now two elective courses available to all junior and senior students. Health I or "Contemporary Family Life" focuses on family life, relationships, responsibilities, and problems. This course is directed at three basic areas—communication, decision making and consumer education. The program is divided into a variety of different fast moving sections. In one section for example, students become involved in a mock marriage ceremony and from that point on they are to work together and make joint decisions on such matters as who should work, how to find a place to live, how to get through a job interview and the responsibilities of parenthood. The course ends with each student facing a divorce and the problems involved in such situations.

Health II or General Health is also geared towards junior and senior high students. This course began last year and deals with a variety of health topics which are of specific interest to the students and general health concerns of our society. The objective of this course is to present material that will help students acquire attitudes and habits that will contribute to their maximum efficiency and happiness. This course is divided into several units, such as: first aid; mental health; aging; consumer health education; druguse and abuse; physical fitness; and common diseases.

The health program has also expanded into the eighth grade and is now available to all eighth graders for a half a year. The present pilot course curriculum is two fold, first it attempts to help students build an understanding of human behavior. Second it helps to provide a framework that will enable students to make positive decisions about their behavior and apply these decisions to their own everyday lives.

At the elementary school level a variety of health units are provided, for example: nutrition, mental health, smoking, etc. The most exciting is the dental program sponsored by the New Hampshire Bureau of Dental Health. The program is conducted by the classroom teacher and school nurse and involves daily toothbrushing and once a week fluoride rinse. Thus far it has proven to meet with a great deal of success.

Another innovative program has been the introduction of an early morning physical fitness exercise time. These exercises are conducted in the classroom for five minutes every morning. The activities are led by student trained leaders and all activities are performed to music. This time is quite vigorous and enjoyable.

A major step of the health program at the elementary level is the effort of the newly formed Health Committee. This committee is involved in adopting a comprehensive sequential health guide for grades one through six. This has proven to be a difficult task and has required a great deal of dedication by many teachers at the elementary school.

The health department is also involved in a first aid workshop for teachers, bike safety programs, natures classroom trip, self-breast examinations, individual and group counseling.

The health program has taken on a number of different and varied aspects in an effort to meet the needs and interest of all the students in the Raymond School system. It's success is mainly due to the great community support, administrative assistance, school staff encouragement and hardwork.

Frederick B. Henning
Health Education Coordinator
January 19, 1978

## HIGH SCHOOL NURSE REPORT

To the Superintendent and the School Board:

With an ever-increasing number of pupils to be accommodated, the school nurse carries out a wide variety of duties. She assists the school physician with the yearly physical examinations of all students (Grades 6 through 12) in school sponsored baseball, basketball, softball and soccer. Vision, hearing tests, heights and weights are checked and recorded annually.

In January, the Raymond basketball team was exposed to measles at an out of town game. Therefore, the State Department of Communicable disease came to the Raymond Jr.-Sr. High and gave the measle vaccine to all who wished to have it. There was also an epidemic of Scabies in the surrounding area which did not promote too much of a problem to Raymond residents.

The school nurse spends the majority of her time administering first aid to students and personnel. She is also responsible for some Health Instruction within the classrooms.

Respectfully submitted,
Barbara A. Waterhouse, RN
School Nurse

## ELEMENTARY SCHOOL NURSE REPORT
**January 1977-June 1977**

(1) Measles Immunization of 90 fifth and sixth graders on Feb. 10, 1977.
(2) Pre-school registration of 117 four and five year old children were screened for vision and hearing problems with the aid of N.H. Division of Public Health on April 18, 1977.
(3) Heights and weights, vision and hearing tests were completed on grades 1-4 by January 1, 1977.
(4) Head inspections on the total school population were conducted after each school vacation.
(5) First aid for students and staff.

**September 1977 - December 1977**

(1) Vision tests — 420
(2) Hearing tests — 420
(3) Heights and weights — 420
(4) Home visits — 8
(5) School nurses' meetings — 2
(6) Head inspections — 521
(7) Conferences with parents and students — 30
(8) First aid for students and staff

We are very fortunate to have a fluoride mouth rinse program sponsored by the Bureau of Dental Public Health, N.H. Division of Public Health. This free program includes a film, lecture, and thorough examination by a dental hygienist in the fall, a weekly fluoride rinse and tooth brushing throughout the year and another dental examination by the hygienist in the spring.

A national survey has revealed that of the 52 million children fourteen years of age or younger, approximately twenty million have not been adequately immunized against childhood diseases. This includes polio, measles, German measles, diptheria, pertussis (whooping cough), and tetanus. Because prevention does not mean eliminiation, these diseases eventually reappear when immunization levels are not maintained. Consequently, it is of utmost importance that each child entering first grade this coming September 1978 have all of the above immunizations as well as a T.B. test before he will be allowed to enter school.

Respectfully submitted,
Beverly Larson, R.N.
Lamprey River Elementary
School Nurse

## Report on
## Region #18 — Exeter Vocational Center

Since my appointment by the Raymond School Board to the General Advisory Committee last March, I have attended regular meetings where craft committees have presented outlines of their curricula and space requirements for consideration in the planning of the new vocational center.

Before my appointment to this committee, craft committees had worked long hours compiling these courses of study and space proposals. Their recommendations were based on a public survey that had been circulated well before their meeting dates.

On February 16, 1977 the State Board of Education designated Exeter to receive $1,219,-256 toward the construction of the Region #18 Vocational Center providing that either Exeter appropriate the balance or the General Court authorize an additional amount.

On July 15, 1977, the General Court passed HB 96 which appropriated approximately $8 mm more to state vocational centers. The Region #18 center will receive sufficient funds from this appropriation.

After careful review of craft committee requests, the following vocational areas will occupy a building of approximately 65,000 square feet:

Agriculture
Distributive Ed.
Health Occupations
Child Care
Food Service
Home & Comm. Services
Accounting
Clerical
Data Processing
Media Communication
Secretarial
Autobody
Automotive
Building Trades
Drafting
Electricity/Electronics
Graphic Commun.
Machine Shop
Metal Fab.
Special Services
Adult/Continuing Ed.
Cooperative Ed.
Guidance Facilities

Student quotas for sending towns have not been established, but it is not expected that Raymond will have any difficulty in sending those students who wish to study one of the aforementioned vocations.

The cost to the Raymond taxpayer is almost nonexistent. The transportation costs are reimbursable by the state and 75 percent of the tuition costs are also reimbursable.

The Building Committee is presently reviewing blueprints and visting the construction site with a groundbreaking scheduled for early spring.

The Vocational Center is planned to open in the fall of 1979 and will be a full service, continually operational facility.

Dennis LeBranche,
Raymond Representative

## STATE OF NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION

Raymond School District
c/o David R. Cawley, Superintendent
Supervisory Union No. 15
2 Benton Road
Hooksett, New Hampshire 03106

Dear Mr. Cawley:

This communication is intended to serve as a status report on the examination made by this Division of the accounts and records of the Raymond School District (Fiscal Year 1976-77).

The auditor's report and summary of findings are currently awaiting final Division review in keeping with our established policy. We do not expect to be able to submit a report of this audit prior to the publication of the 1977 Annual Report.

We regret the inconvenience which this may cause. However, we fully expect that our report will be finalized and forwarded to your office in the very near future.

Very truly yours,

Lorraine F. Racette
Assistant Director

LFR:sf

### Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Raymond School District for the fiscal years ended June 30, 1975 and June 30, 1976.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion the accompanying balance sheets and statements of sources of revenues and expenditures present fairly the financial position of the Raymond School District at June 30, 1975 and June 30, 1976, and the results of its operations for the years then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal years.

Respectfully submitted,
Frederick E. Laplante
Director
DIVISION OF MUNICIPAL SERVICES
DEPARTMENT OF REVENUE
ADMINISTRATION:

## SUMMARY OF FINDINGS AND RECOMMENDATIONS

The School Board
Raymond School District
Raymond, New Hampshire 03077

Gentlemen:

Submitted herewith in the report of the annual examination and audit of the accounts of the Raymond School District for the fiscal years ended June 30, 1975 and June 30, 1976, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

## SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer, School Lunch and Special Milk Program, High School Snack Bar Account and High School Activities Fund.

## FINANCIAL INFORMATION

**General Fund:**

**Comparative Balance Sheets:** (Exhibits 1 and 15)

Comparative Balance Sheets, as of June 30, 1974 and June 30, 1975 are presented in Exhibit 1. As indicated therein, the current surplus decreased by $22,403, from $39,490 to $17,087 during the fiscal year ended June 30, 1975.

Comparative Balance Sheets, as of June 30, 1975 and June 30, 1976 are presented in Exhibit 15. As indicated therein, the current surplus increased by $1,977, from $17,087 to $19,064 during the fiscal year ended June 30, 1975.

**Analysis of Change in Current Financial Condition:** (Exhibits 2 and 16)

Statements presenting an analysis of the factors which caused the change in current financial condition of the District during the fiscal years ended June 30, 1975 and June 30, 1976, are presented in Exhibits 2 and 16 respectively. The factors which caused the decrease of $22,403 in current surplus during the fiscal year ended June 30, 1975 were as follows:

| | |
|---|---|
| **Decreases in Current Surplus:** | |
| Surplus Used to Reduce School Tax | $39,490 |
| **Increase in Current Surplus:** | |
| Net Budget Surplus (Exhibit 4) | $17,087 |
| **Net decrease in Current Surplus** | $22,403 |

The factors which caused the increase of $1,977 in current surplus during the fiscal year ended June 30, 1976 were as follows:

| | |
|---|---|
| **Increase in Current Surplus:** | |
| Net Budget Surplus (Exhibit 18) | $19,064 |
| **Decrease in Current Surplus:** | |
| Surplus Used to Reduce School Tax | $17,087 |
| **Net Increase in Current Surplus** | $19,077 |

**Comparative Statement of Appropriations and Expenditures - Estimated and Actual Revenues:** (Exhibits 3, 4, 17 and 18).

Comparative Statements of Appropriations and Expenditures, estimated and actual revenues for the fiscal year ended June 30, 1975, are presented in Exhibits 3 and 4; similar statements for the fiscal year ended June 30, 1976 are contained in Exhibits 17 and 18.

As indicated by the Budget Summaries (Exhibits 4 and 18), a revenue surplus of $14,479, plus an unexpended balance of appropriations of $2,608 resulted in a net budget surplus of $17,087 during the fiscal year ended June 30, 1975; a revenue surplus of $16,796 plus an unexpended balance of appropriations of $2,268 resulted in a net budget surplus of $19,064 in the fiscal year ended June 30, 1976.

**Long-Term Indebtedness:**

**Comparative Balance Sheets**: (Exhibits 5 and 19)

Comparative Balance Sheets, which disclose the bonded indebtedness of the District as of June 30, 1974-1975 and June 30, 1975-1976, are presented in Exhibit 5 and 19 respectively. As shown in these exhibits, the bonded debt of the District amounted to $173,000 at June 30, 1975. During the fiscal year ended June 30, 1976, bonds were issued in the amount of $1,545,000 and payments of bond principals totaled $22,000.

**Statement of Debt Service Requirements:** (Exhibits 6 and 20)

Statements showing debt service requirements (principal and interest) of the District as of June 30, 1974 and June 30, 1975 are contained in Exhibits 6 and 19.

**Capital Projects Fund:**

**Comparative Balance Sheets:** (Exhibits 7 and 21)

Comparative Balance Sheets as of June 30, 1974-75 and June 30, 1975-76 are presented in Exhibits 7 and 21. As indicated therein, as of June 30, 1976, unappropriated surplus amounted to $437 and the unexpended balance of appropriations totaled $264,599.

## TREASURER

**General Fund:**

**Classified Statements of Receipts and Expenditures:** (Exhibits 8 and 22)

Summary statements of general fund receipts and expenditures for the fiscal years ended June 30, 1975 and June 30, 1976, made up in accordance with the uniform classification of accounts, are included in Exhibits 8 and 22.

**School Tax Account:** (Exhibits 14 and 28)

Statements of the school tax accounts with the town of Raymond for the fiscal years ended June 30, 1975 and June 30, 1976 are presented in Exhibits 14 and 28.

As indicated in Exhibit 14, in the fiscal year ended June 30, 1975, the School District had received from the Town of Raymond a total of $679,412; this sum included the 1974-75 school tax of $708,626, less an advance of $29,214 received in the fiscal year ended June 30, 1974, plus an advance of $44,214 on the 1975-76 school tax.

As shown by Exhibit 28, during the fiscal year ended June 30, 1976, the District received the sum of $818,065, which sum represented the total amount of the 1975-76 school tax of $862,-279, less an advance of $44,214 received in the prior fiscal year.

**Conclusion**

The provisions of Chapter 71-A, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits included in the audit report is optional at the discretion of the School Board.

We extend our thanks to the officials of the Raymond School District for their assistance during the course of the audit.

Very truly yours,

Frederick E. LaPlante
Director
